The 60/40 system is a rule that splits a brand's color palette into two roles. Two primary colors take 30% each these define the brand's identity and are what people immediately recognize. Four accent colors take 10% each they add depth and variety in smaller elements like buttons and tags. The goal is simple: every color has a purpose, so the brand looks consistent and unified across every application.

The 60/40 Color
Proportion System
in Brand Identity

LAYOUT SYSTEM

COMMUNITIES

A unified system where every project belongs,
built to connect, scale, and grow as one

**A SYSTEM
BUILT TO CONNECT** One system that brings every project together
with a structure built for what's next.

One system that brings every project together
with a structure built for what's next.

IT STARTS WITH A... IT GROWS INTO EVERYTHING... COMMUNITIES

THE USE OF '7' CREATES CONSISTENCY, BUILDS RECOGNITION, AND ALLOWS EVERY NEW DEVELOPMENT TO FIT WITHIN A CLEAR STRUCTURE
